Permo Binders for The Blood-Horse

OF all the magazines having to do with the American Turf THE BLOOD-HORSE is the one most thoroughly read and most carefully laid away for reference purposes. Because so many readers treasure their files of THE BLOOD-HORSE, we have had special Permo Binders made for their use. Each binder holds 20 issues or more. Insertions and removals can be made easily. For one Permo Binder the price is $2; for more than one, $1.75 each, shipping charges included.

THE BLOOD-HORSE, Box 1520, Lexington, Ky.

For the Horseman

May we suggest . . .

THOROUGHBRED SIRES AND DAMS: 1940 . . . Approximately 60 copies of this beautifully bound volume are available at $17.50. After these are sold the price will be $20. This volume lists all starters of 1940 and their records under the dam, and all winners (together with the number, class of races, and amount of money won) under their sires. Also given under the sires are the get which placed and those which raced unplaced. A very valuable book.

THE STALLION REGISTER AND MATING BOOK . . . Breeders have found this loose-leaf volume indispensable. Students of pedigrees and breeding find it simple and convenient. Nearly 200 stallions are included, and for each are given a five-cross pedigree, racing record, stud record, family particulars, and a wealth of other material. Price $10.

NAMES IN PEDIGREES . . . Included in this volume, written by Joe H. Palmer, are the histories of 51 stallions of the 1860-1900 period which are still important in modern pedigrees. Pictures of each of the 51 stallions appear with the story of their racing and breeding careers. The volume is durably bound in cloth, contains 440 pages of text in addition to a complete index. Price $3.

SIRES OF AMERICAN THOROUGHBREDS . . . More than 7,000 stallions are listed alphabetically in this volume. For each stallion is given his color, year of foaling, sire, dam, and dam's sire. Price $1.

BOUND VOLUMES OF THE BLOOD-HORSE . . . Nothing makes a horseman's library so complete as bound volumes of THE BLOOD-HORSE, each covering a six months' period. Bound volumes are available for the last six months of 1937 and for the years 1938, 1939, 1940, and 1941. Price $5 a volume.
